

Award Content - Spine 2020 on World Congress on Spine and Spinal Disorders, April 13-14, 2020 | Dubai, UAE

Wagih El Masri

Clinical Professor of Spinal Injuries, Keele University, UK, E-mail:bellstonehse@btinternet.com

Expert Level (Scientific Service Achievement Award)

Pulsus Group recognizes the commitment and astonishing works in all academic and research fields. By recognizing their contribution; we inspire and motivate scholars, researcher and academicians, by giving International Best Academician and Researcher Awards along with other specific awards in all academic disciplines and categories. These Awards include prestigious Award Certificate, Memento along with other gifts.

Pulsus Group welcomes you to attend the Spine 2020 during 13-14 April 2020 in Dubai, UAE.

This award is meant for the experts who have made outstanding contributions to advancing in Spine 2020. It is the most prestigious award of the whole congress and is tagged as a scientific service Achievement award. The eligibility criteria for achieving this award is that one should have a minimum of 20+ years of experience in the relative field in the public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving candidates through an online portal.

Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in Spine and Neurosurgery Research field in the public or private sector for experts having research knowledge at 10+ years in the field of Spine Surgery with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving candidates through [an online portal](#).

Scholar Level (The Upcoming Researcher Award)

The Spine 2020 offers Scholar Level Spine Meetings Award for the upcoming scientists, researchers and experts having 10+ years of research experience in the field of Spine Surgery. Our Spine Congress would like to provide

the best platform to expand your network by sharing your research knowledge at the stage. The presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the Spine Congress along with 5 minutes panel discussions. You can nominate deserving of the award through [online](#).

Women Scientist (The Women of Science Award)

Spine 2020 provides a unique platform for women scientists for presenting the latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have 10+ years of research experience to join the forum. We are happy to encourage our women scientist's participants through Spine Research awards and provide assistance for women scholars in career development and Spine research guidance through our collaborations. Women Scientist can nominate deserving candidates through [online](#).
