Corrigendum

Following publication of the Review by Mary Mallappallil, Eli A Friedman, Barbara G Delano, Samy I McFarlane & Moro O Salifu titled ‘Chronic kidney disease in the elderly: evaluation and management’, published in the September 2014 issue of Clinical Practice (Clin. Pract. 11[5], 525–535 [2014]), it has been brought to our attention that the Financial & competing interests disclosure was incorrectly presented as:

The authors have no relevant affiliations or financial involvement with any organization or entity with a financial interest in or financial conflict with the subject matter or materials discussed in the manuscript. This includes employment, consultancies, honoraria, stock ownership or options, expert testimony, grants or patents received or pending or royalties.

The Financial & competing interests disclosure should be presented as:

This work is sponsored in part by the Brooklyn Health Disparities Center NIH grant #P20 MD006875. The authors have no other relevant affiliations or financial involvement with any organization or entity with a financial interest in or financial conflict with the subject matter or materials discussed in the manuscript apart from those disclosed.

The authors and editors of Clinical Practice would like to sincerely apologise for any inconvenience or confusion this may have caused our readers.
