

Past Conference Report: 3rd International Conference on Nanomaterials, August 29-30, 2020 | Webinar

We would like to thank all of our wonderful keynotes, speakers, conference attendees, students, associations, media partners and guests for making Nanomaterials Congress 2020 a successful and splendid event.

Allied Academies hosted the event of "3rd International Conference on Nanomaterials, August 28-29, 2020 | Webinar". Benevolent response and active participation was received from the Editorial Board Members of supporting International Journals as well as from the leading academic scientists, researchers, research scholars, students and leaders from the fields of Nanomaterials who made this event successful.

The conference proceedings were carried out through various Scientific-sessions and plenary lectures. The conference was embarked with an opening ceremony followed by a series of lectures delivered by both Honourable Guests and members of the Keynote forum. The adepts who promulgated the theme with their exquisite talk were;

- Ángel RÍOS | University of Castilla – La Mancha| Spain
- David J. Bergman | Tel Aviv University | Israel
- Galina O. Kalashnikova | Kola Science Centre of the Russian Academy of Sciences | Russian Federation
- Do Chau Minh Vinh Tho | Can Tho University of Medicine and Pharmacy | Vietnam

The event enlightened various areas of Nanomaterials with plenary lectures from the speakers of various universities and organizations like

- Anna Lagunas | Institute for Bioengineering of Catalonia | Spain
- Luciana Lisi | National Research Council | Italy
- Rositsa Yakimova | Linköping University | Sweden
- Del Favero Elena | University of Milan | Italy
- Adelina-Carmen Ianculescu | Politehnica University of Bucharest | Romania
- Francesca Alessandro | University of Calabria | Italy
- Alicja Kazek-Kęsik | Silesian University of Technology | Poland
- Rongming Wang | University of Science and Technology Beijing | China
- Chen Barad | Ben-Gurion University | Israel
- Alvin Lim Teik Zheng | Kyushu Institute of Technology | Japan
- Desireé Alesa Gyles | University of Technology | Jamaica
- Sang-Woo Kim | Sungkyunkwan University | Republic of Korea

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the Organizing Committee Members for their gracious presence, support, and assistance towards the success of Nanomaterials Congress 2020.

With the grand success of Nanomaterials Congress 2020, Allied Academies is proud to announce the "4th World Congress on Nanomaterials" to be held during December 9-10, 2020 | Webinar.
