

Past Conference Report: 5th International Conference on Diabetes and Endocrinology

We would like to thank all of our wonderful keynotes, speakers, conference attendees, students, associations, media partners and guests for making Clinical Endocrinology 2020 a successful and splendid event.

Conference Series hosted the event of "5th International Conference Diabetes" during October 16, 2020 as Webinar with the theme "Challenging & opportunities to bridge the flaws in diabetic Healthcare". Benevolent response and active participation was received from the Editorial Board Members of supporting International Journals as well as from the leading academic scientists, researchers, research scholars, students and leaders from the fields of Diabetes and Endocrinology who made this event successful.

The conference was marked by the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 18 countries, who have driven this event into the path of success. The conference highlighted through various sessions on current retroviral research.

Clinical Endocrinology 2020 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various new-fangled topics related to the fields of Diabetes and Endocrinology

The meeting was carried out through various sessions, in which the discussions were held on the following major scientific tracks:

- Diabetes
- Diabetic Cardiomyopathy
- Gestational Diabetes
- Diabetes Foot
- Diabetic Obesity
- Paediatric Endocrinology
- Diabetes Mellitus
- Diabetic medication
- Reproductive Endocrinology
- Vitamin D Metabolism
- Endocrinology

The conference proceedings were carried out through various Scientific-sessions and plenary lectures. The conference was embarked with an opening ceremony followed by a series of lectures delivered by both Honourable Guests and members of the Keynote forum. The adepts who promulgated the theme with their exquisite talk were;

Jharna Majumdar | Nitte Meenakshi Institute of Technology, India

Ibrahim El Bayoumy | Tanta Faculty of Medicine, Egypt

The event enlightened various areas of Diabetes and Endocrinology with Workshops and plenary lectures from the speakers of various universities and organizations like
