17th World Congress on Pediatrics and Neonatology

April 23-24, 2020 | Tokyo | Japan

This time we have introduced some new highlights for our [Pediatrics conference](#);

General Pediatrics, Pediatric Obesity, Pediatric Healthcare, Pediatric Oncology, Pediatric Cardiology, Pediatric Surgery, Pediatric Infectious Diseases, Neonatology, Pediatric Gastroenterology Hepatology and Nutrition, Pediatric Dermatology, Pediatric Breast Feeding, Pediatric Nephrology, Pediatric Ophthalmology, Child Abuse and Neglect, Pediatric Vaccines, Pediatric Neurology, Pediatric Dentistry.

Pediatrics 2021 has been designed in an interdisciplinary manner with a multiplicity of tracks to choose from every segment and gives you a rare opportunity to meet industry and academic peers and build a scientific network between them. We cordially invite all concerned to come and join us at our event and by your participation make it successful.

Our goal is to provide our participants with maximum exposure, and we ensure that the meeting is a mix that involves professionals such as pediatricians, researchers, healthcare professionals, research scientists, educational and industrial diagnostic laboratory professionals, making the Pediatrics 2021 Annual Meeting a great forum.

The conference will be organized around the Theme 'Recent Innovation and Information of [Pediatrics](#) and [Neonatology](#)'. The aim is to provide an outstanding

curriculum covering the entire scope of pediatric science and advancements and sharing the cross-cultural experiences of different treatment methods, inventions and developments.

“Pediatrics 2021 divulges the evolution in Pediatrics and Neonatology for a healthy future”

We welcome all the [Pediatrics](#) Professionals, Delegates, Researchers, and Students to make your beautiful presence in Tokyo, on April 23-24, 2021. Looking forward to the [Pediatrics 2021 conference](#) to be successful just as the Pediatrics 2018 Conference!
