

Social distancing effect on Agri and PlantScience Marketing by Covid-19

Sova Yadav

CCS Haryana Agricultural University, India

Thank you all for taking out your time and joining us in this virtual meet .In this difficult situation, we are trying to adapt to the technological changes, and we really pleased to welcome your feedback for the virtual meet. If there are any, please do let us know via email.

With this, I would like to thank all our speakers, delegates and organizing committee who made it possible for this virtual meet

to run smoothly. Here we mark the end of the day Plant Science and Agriculture 2021 virtual meet. Certificate of participation would be sent to you via mail after the completion of the event. For any other communications, please feel free to write to us.

Once again, we extend our sincere gratitude to all. We wish you all the best for your future endeavors.

Thank you!
