

World Gastro 2020 Past Conference Report

The "6th International conference on Gastroenterology" was hosted by Allied academies during October 23,2020 and was a great success where eminent Keynote Speakers, Speakers, Delegates, Sponsors and Poster Presenters from various reputed companies and Universities made their resplendent presence and addressed the gathering and also marked with the attendance of Editorial Board Members of supported Allied Academies Journals, Scientists representing more than 10 countries, who made this conference fruitful and productive. This conference was mainly focused on the Theme - "Contemporary Researches & Advancements in the field of Gastroenterology".

World Gastro 2020 witnessed of excellent speakers who enlightened the crowd with their knowledge and confabulated on different unique themes identified with the field of Gastroenterology

We would like to convey a great appreciation to following eminent people, honorable guests and Keynote speakers.

Dr. Luis Fernando Sandoval, Guatemala

We would specially thank full to our Sponsor ACS Publications for supporting us along with their associated journals named Current Trends in Gastroenterology, Gastroenterology Medicine and Therapy, and Insights in Pediatric Gastroenterology where they had made themselves known to our conference participants providing relevant research opportunities in the booming fields of Gastroenterology.

Allied Academies would like to convey a warm gratitude to Chairs who contributed effervescently for the smooth functioning of the event, Francesco Moratto, USA.

Our sincere gratitude to Organizing Committee Members for their gracious presence, support and assistance towards our conference and with the tremendous feedback from the participants and supporters of World Gastro2020.
