

The Global Congress on Prosthodontics and 3D Designing, 2020

With the prodigious pleasure, we are glad to announce the Global Congress on Prosthodontics and 3D Designing scheduled to be held in July 05 – July 06, 2020 at London.

Prosthodontics 2020 will target on the theme of Exploring the Frontiers in Dental Science which will assist the progress of interactions with world-wide Dentists, Oral Hygiene and Dental Health experts.

Prosthodontics 2020 event will examine cutting edge research in several key areas across twenty dedicated tracks:

Dental Public Health and Education, Oral Biology and Pathology, Oral Surgery, Oral Anesthesiology, Oral Cancer, Tooth Decay and Care, Paediatric Dentistry, Periodontics, Prosthodontics, Endodontics, Orthodontics, Cosmetic Dentistry, Geriatric Dentistry, Maxillofacial Radiology and Surgery, Dental Fractures, Dental Dentistry, Digital Dentistry, Preventive Dentistry, Dental Biomaterials.

Since the field of Dental Science offers great opportunities for the advancement of human health care, it becomes an essential thing to analyse the recent trends in it and Prosthodontics 2020 will offer its participants an unforgettable experience in this area.

Pulsus Conferences takes immense pleasure and feel honoured in welcoming the contributors from all over the globe to mark their presence for Global Congress on Prosthodontics and 3D Designing, which comprises key-note presentations, Oral talks, Poster presentations, Symposia, Workshops, Industrial exhibition, B2B, Collaborative opportunities and so on!

Prosthodontics 2020 welcomes you all to stay engaged, active and help us to shape the future of Dental Science.

Looking for New Platform for Dental Science? Then mark your dates on the calendar – July 05-06, 2021, London, UK.
